SPOKANE COUNTY, WA

Well-service quote worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- [ ] Property locality and ZIP, rather than only the mailing city
- [ ] No water, low pressure or intermittent supply, and when it began
- [ ] Whether all fixtures or only part of the property are affected
- [ ] A matching well report, previous invoice or known pump and tank details
- [ ] Gate and driveway access, shared-well arrangements and an available contact

2. Compare two written proposals

Question to confirm	Quote A / business	Quote B / business
Assessment What will the diagnostic visit cover?		
Callout terms What are the diagnostic, travel and after-hours charges?		
Repair decision What findings support repair or replacement?		
Proposed equipment Which pump, tank or other components are included?		
Records What completed-work and warranty documents will I receive?		
Total + exclusions / extra charges
